## Invitation to the Webinar

Promoting partnerships between overseas firms with potential synergy will be a good help to expand overseas infrastructure businesses, granting further competitiveness in the market.

Infrastructure Asia (InfraAsia), a Singapore governmental organization, and the Ministry of Land, Infrastructure, Transport and Tourism of Japan (MLIT) started an initiative to assist making complementary partnerships between Singapore-based and Japanese companies, to support quality infrastructure development in third countries, in the fields of urban development (including smart cities) and roads and bridges.

As a part of this initiative, InfraAsia and MLIT are going to hold a webinar on 5 March 2021 with the purpose of providing opportunity of sharing beneficial information such as experiences of Singapore-Japan company co-operations, business opportunities, and financing tips. We look forward to your participation.

## Pre-Registration

Please access to the following link for pre-registration. The submitted information will be utilized for the initiative to enhance networks among Japanese and Singaporean firms. After the confirmation of the register, further notices of the seminar will be sent.
